This warranty is valid only in the United States and for Products sold and installed within Seller-specified countries.

### **DC POWER**

#### **WARRANTY PERIOD**

The Warranty period for DC Power Products is twenty-four (24) months from the date of shipment.

The Warranty Period for Services shall expire six (6) months from the date of Seller's job completion notice, except that software-related Services are warranted for ninety (90) days.

### **EMBEDDED POWER**

#### **WARRANTY PERIOD**

The Warranty Period for Embedded Power Products is as follows: (i) for Board Mounted Power Products, thirty-six (36) months from the date of shipment to Buyer; (ii) for Non-System Based Front End Power Products, twelve (12) months from the date of shipment to Buyer; and (iii) for System Based Front End Power Products, twenty-four (24) months from the date of shipment to Buyer.

### **PROHIBITED USES**

In addition to prohibitions on nuclear use, the Products and Services sold by Seller are not intended for use in connection with any avionics or life support activity or equipment, and Buyer warrants that it shall not use or permit others to use Products or Services for such purposes without the advance written consent of Seller. If, in breach of this, any such use occurs, Seller (and its parent, affiliates, suppliers and subcontractors) disclaims all liability for any claims, damages, or injuries (including death). In addition to any other rights of Seller, Buyer shall indemnify and hold Seller (and its parent, affiliates, suppliers and subcontractors) harmless against all such liability. Consent of Seller to any such use, if any, will be conditioned upon additional terms and conditions that Seller determines to be acceptable for protection against avionics or life support liability.
