

GE **QuickShip** Panelboards Get the 5 day advantage!

With a 5 day turnaround you can:

- ▶ Gain a competitive edge
- 🔄 Reduce project cycle times
- 🕒 Complete projects faster

Which products are eligible?

GE A-Series*, AE and AQ Panelboards

SIMPLER ⚙️ SMARTER 🧠 FASTER ▶▶

Our investment in advanced manufacturing technologies enables us to efficiently and effectively maintain increased inventory levels on our AE and AQ panelboards, cutting lead times to just 5 days. Plus, **you now have 3 different options** to get the panelboards you need faster than ever before.

1 QuickShip: **5 day**¹ turnaround from order to shipping for AE and AQ panelboards – box, interior components and trim – configured and ready to wire.

For configurations not eligible for QuickShip:

2 Box Ahead: **4 day** turnaround on the box only², and we'll send the interior components configured and ready to wire in 10 days.

3 Box from Stock: Get the box you need the **same day** from your Distributor's stock, and we'll send the interior components configured and ready to wire in 10 days⁴.

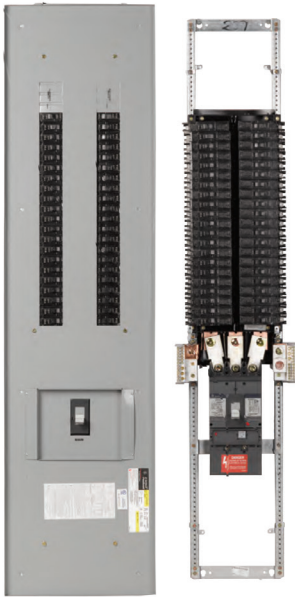

5

Get the 5 day advantage with GE QuickShip Panelboards Program. Contact your GE Distributor for complete details.

imagination at work

AE and AQ Panelboards

Our A-Series design is an extremely flexible Lighting Panel with numerous configurations available. The panel's comprehensive design, ease of installation and competitive price make it the obvious choice for contractors and consultants.

AE	Max. Voltage:	480Y / 277V ; 125/250Vdc
AQ	Max. Voltage:	240V

Ordering is easy.

Contact your GE Distributor today. If the panelboard is eligible for the program³ the order will be placed and ready to ship in 5 days – ***it's that fast!***

Program Notes

- ¹ 5 days from order entry to shipment from the factory. Actual delivery time is dependent on carrier and contractor location.
- ² Box Ahead may not apply to all panelboards. Contact your GE Distributor for more information.
- ³ Some AE and AQ Panelboards may not be eligible for the GE *QuickShip* Panelboards Program. Contact your GE Distributor for more information.
- ⁴ Some Box from Stock panelboards may be eligible for *QuickShip*. Contact your GE Distributor for more information.

***Get a complete GE Panelboard Solution.
We supply the box, interior components and trim,
configured and ready to wire – it's that convenient!***
