

# Ringless Meter Socket Load Centers

These new models meet the latest requirements from the Florida Meter Group and other utilities that specify UL as their main requirement. They retain the features of prior models but offer ringless sockets and a few other improvements.

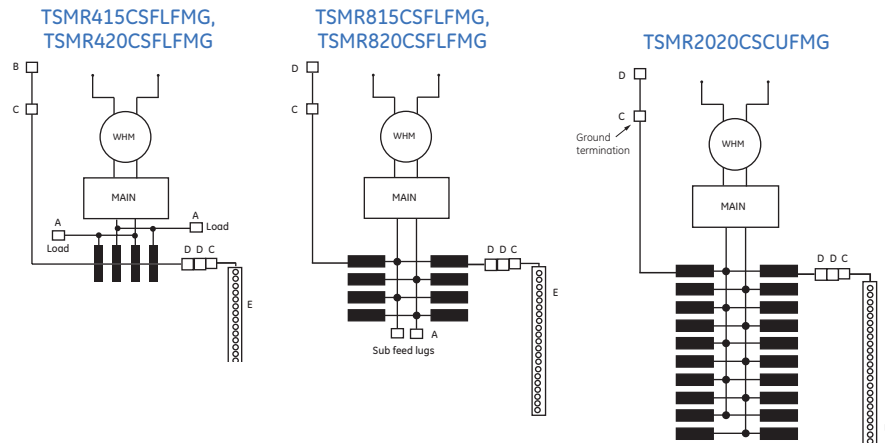

## Key Product Changes

- Ringless meter cover
- Revised catalog number and ground labels
- Latches and Hasps changed to Stainless
- Mounting bosses moved toward corners of enclosure
- 9/32" ground wire hole K/O in bottom
- Single latch centrally located hasp on Meter cover
