Start your project fast with Pro-Stock* panelboards

Pro-Stock panelboards use modular kits that form hundreds of different panelboards, all available now from your distributor's stock.

A range of interiors, boxes, fronts, kits and accessories give you everything you need to assemble the right panelboard, right now.

And not just any panelboard, but one that delivers:

- **Flexibility** – kits for main or subfeed breakers, main or feed-thru lugs, 200% neutrals and service entrance ratings
- **Simplicity** – one interior for top or bottom feed, main lug or main breaker
- **Choice** – either electronic trip or thermal magnetic breakers

Need to move fast? Choose Pro-Stock panelboards and other Small Projects – Same Day products from your authorized GE distributor.
